Dear Sam:

I have received your letter of 18 October to LTG Graham concerning the reconstitution of the NSCIC Working Group, and I completely agree with you in considering it important that the Group be supported by an Intelligence Panel.

Accordingly, in Danny's absence, I am designating myself as primary representative for DIA on the Intelligence Panel. My fully accredited alternate will be Don Harvey.

I will attend your initial meeting on 25 October. DIA will do all possible to support the Panel.

Sincerely,

A handwritten signature in black ink, appearing to read "Eugene F. Tighe, Jr.", is written over the typed name.
